

SCAMS STINK.

LET'S BEAT THEM TOGETHER.

Online scams try to trip you up daily—but you don't have to fall for them. CyberFlex is your go-to hub for exploring and sharing cybersecurity tips and tricks. Stay protected. Stay alert. **Stay CyberFlexed.**

YOU'RE NOT ALONE.

Join a community that's all about safety and awareness. CyberFlex is a safe space powered by the Global Cyber Alliance and sponsored by Amazon, where you can learn from others and share your experiences.

THREE INTERACTIVE GUIDES. ONE GOAL: STAY SAFE.

CyberFlex offers three powerful guides to help you:

SPOT & DETECT SCAMS

From common to complex, learn to identify the threats.

USE TOOLS TO STAY PROTECTED

Equip yourself with the latest defenses.

HELP OTHERS

Become a cyber ally and support those affected.

STAY INFORMED

Track scams in real-time with our Scams Tracker, and never miss an alert by signing up for our scam alerts.

Plus, put your skills to the test with our Test Your Flex quiz.

READY TO FLEX?

Start building your cyber walls and defend against scams. Let's go!
